SUPERFOOD OF THE MONTH

MUSHROOMS!

Did You Know?

Mushrooms are often considered a vegetable, but they are actually a fungi. Mushrooms contain glutamate which chefs recognize for its ability to create a savory rich flavor called umami. Most plants need sunlight to grow, but mushrooms can thrive without any light. When exposed to ultraviolet light from the sun they produce a nutritionally significant amount of vitamin D2. Mushrooms are very versatile and can be added to any meal or enjoyed sautéed on their own as a side dish.

FALL FOODS FULL OF FIBER!

Fall is right around the corner which means fall foods are near! Many foods that are in season during the fall season are high in fiber. Fiber aides in providing fullness after meals which helps promote a healthy weight. It can also help lower cholesterol, prevent constipation and diverticulosis, as well as stabilize blood sugar. Keep your eyes out for some of these fall favorites full of fiber:

- Apples
- Cranberries
- Squash
- Sweet Potatoes
- Pumpkin
- Brussel Sprouts

DINING COMMITTEE UPDATE:

Dining committee will be Sept 15th. This may have to be virtual depending on our COVID precautions at that time. Whether in person or virtual your voice matters! Please let us know your suggestions/comments about the menu!

CONGRATULATIONS ARE IN ORDER!

Congratulations to George Postell! He is our September Resident of the Month.

George has been a resident at Bay County Medical Care Facility since July 2020. George moved here from Ogemaw County to be closer to family that live in the Bay City area. George is a character at BCMCF! He can put a smile on your face without even trying. He keeps staff on their toes with his unique quirks and is entertaining to be around! Thank you George for choosing to stay with us here at BCMCF and Congrats Mr. September!

We are proud to announce that

Josh MacDonald was chosen as our Employee of the month for September. He has worked at BCMCF since July 10, 2020 and you will always see Josh with a smile on his face. Josh works in our Dietary Department as a Dietary Aide and fills in for our Cook position at times. He is ALWAYS in a good mood and has a great sense of humor. Josh is always willing to help anyone and goes above and beyond the call of duty. Thank you for everything you do, Josh!

September 2021 Pet of the Month

Congrats to Lili she is a little six pound Chihuahua and belongs to Melissa and Eric Spencer. She loves to have her belly rubbed, to give as many kisses as she can and to sit on the couch with her sister Zoey to watch the neighborhood and keep her family safe. She can't wait to meet all the residents and share her love.

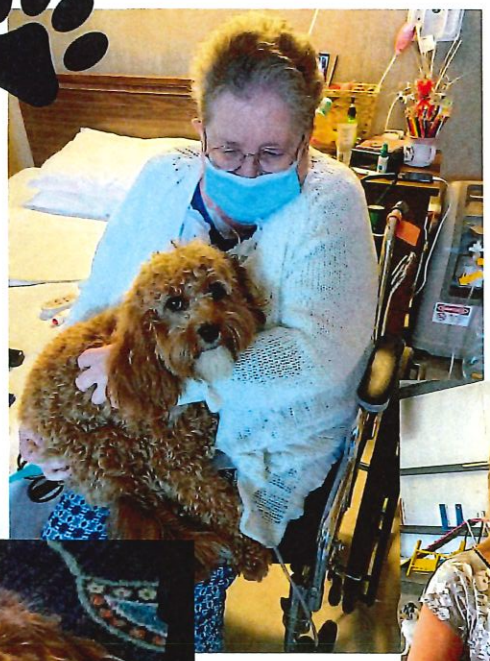
TUNNEL OF TREES

Northern Michigan's Tunnel of Trees on M-119 is one of the state's most iconic attractions, never more so than on a fall color tour. The scenic road winds from Harbor Springs, north of Petoskey, to Cross Village.



Hello BCMCF friends and family, my name is ZuZu!! I am a Certified Therapy Dog. I belong to Jackie McCarthy, our Finance Director. I often come to visit with the residents and staff at the facility, they sure do love my puppy cuddles and kisses!!

TAKE ME OUT TO THE BALLGAME...
